Please continue on to page 7 if your municipality made any payments on behalf of the library board.

Please have the Municipal Administrator fill out page 7.

Town of Diasbury

Library Board

Direct Payments - Receipts and Disbursments

Costs paid directly by the municipality on behalf of the library board are referred to as direct payments. If the municipality pays costs in addition to its local appropriation to the library board, this form must be completed by a Municipal Administrator. Report only that portion of the municipal expenditure that is paid on behalf of the library board. These figures may be subject to audit Do not include in kind contributions. The funds in lines a. through L. should not be included in the library board's financial review. Also, the amount of local appropriation (cash transfer from the municipality to the library board) is already recorded in the library board's financial review and should not be included on this form.

OPERATING EXPENDITURES PAID BY MUNICIPALITY (DIRECT PAYMENTS)	Report	ing Period 2019
a. Staff (e.g. salaries, wages and benefits, moving expenses, course fees)		
b. Building maintenance (e.g. janitor, supplies, maintenance, repairs)		\$573.21
