# DOWNLOADING THE TRANSPARENT LANGUAGE MOBILE APP

Follow these simple instructions to get started using the Transparent Languages Mobile App.

*You must create your account by accessing Transparent Languages via your library's website before you can log in to the app.
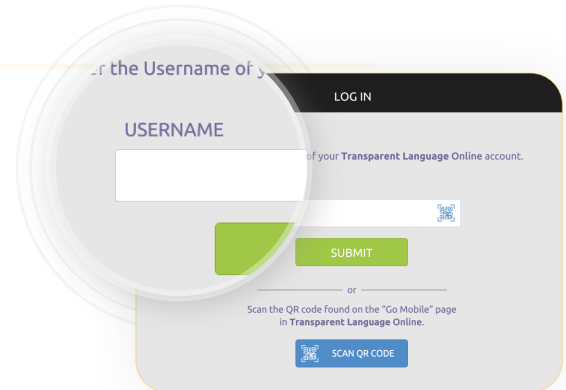

STEP 1

After creating your account by accessing Transparent Languages via your library's website, go to the Apple Store or Google Play Store, **search for "Transparent Language"**, and download the Transparent Language mobile app.

STEP 2

Open the "Transparent Language" mobile app and **enter your Transparent Language Online** username or scan the QR code that appears in your Transparent Language Online account**.**
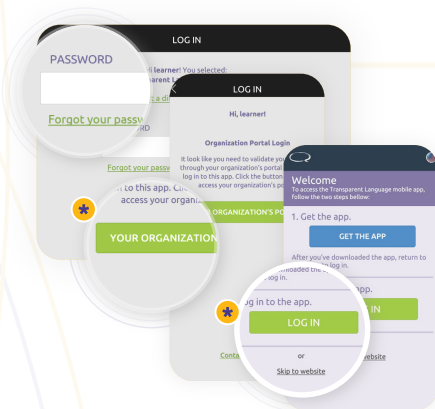

STEP 3

If you are asked for a password:
enter your Transparent Language Online password.
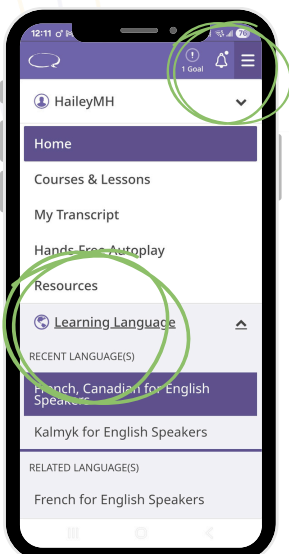

* If you are asked to log in to your portal:

   a. Follow the link to log in to your portal.

   b. In your portal, launch Transparent Language Online, and you will see an app authentication page.

   c. On the app authentication page, tap the "Log In" button, and the app will open and you will be logged in.
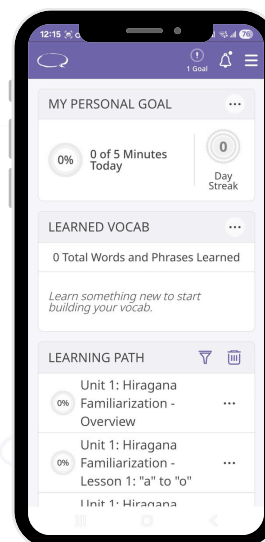

STEP 4

To change your learning language, go to the hamburger menu on the right hand side of your screen and select "Learning Language".
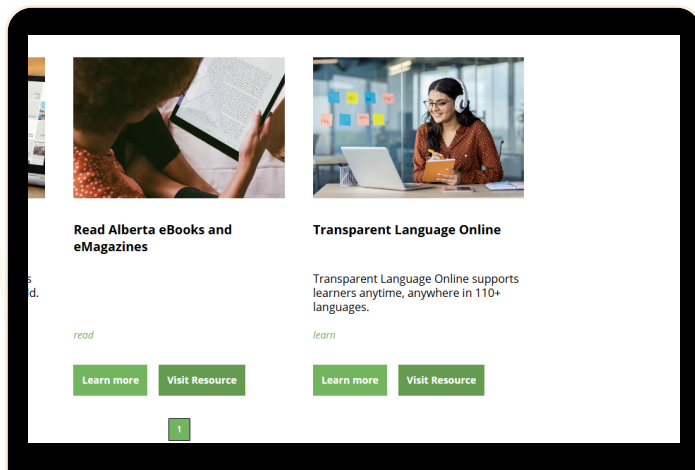

STEP 5

Start learning! Select a unit from your learning path to start learning a new language.

GETTING STARTED WITH TRANSPARENT LANGUAGES
