SUMMER KICK-OFF

Joke of the Month

Why should you be careful opening the fridge?

Answer:
Because there might be a salad dressing.

Sundre Library has so many amazing programs happening this summer and we know there are many other local groups and organizations also offering amazing child, youth and family programming. We want to get the word out about our programs and support other organizations as they do the same.

That's why we're excited to host a new event this year to help families discover all the programming happening in Sundre and area this summer.

Saturday, June 11 ~ 1:00 - 3:00 PM

Join us on the pavement west of the Community Center for our Summer Kick Off Party. Try the games and activities we have planned on site, grab something to eat (FREE hot dogs/chips/drinks) and find out what local and area organizations are planning for children, youth and families this summer.

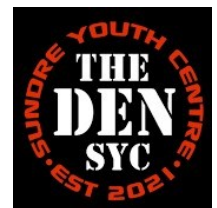

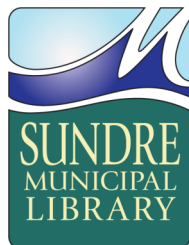

NEW

SUMMER HOURS

Sundre Library will be keeping our current hours throughout the summer. See our website or the back of the newsletter for our open hours.

Participating organizations include:

StoryWalks® are BACK!!

This summer the library is pleased to bring back our storywalks® running May long weekend through mid-September! A storywalk® is a fun and educational activity where a children's story is placed along a walking path in the community. It's a great opportunity to get out with the family and read while you walk.

The storywalk® signs are back up along the walking path along Main Avenue West, starting at 6th street (across from the vet clinic) and ending at RR 54 (across from Tim Hortons). A variety of stories will be on display throughout the summer so check back often. Stories on display will be posted on our website, or follow us on social media to find out when a new story has been posted.

Thank
You

Sundre Library would like to acknowledge the Town of Sundre (Community Grant) for their financial support and efforts in the installation of the signs/posts, as well as Sundre Dental Clinic for their generous donation which allowed us to bring a line up of great NEW stories to this year's storywalk®.

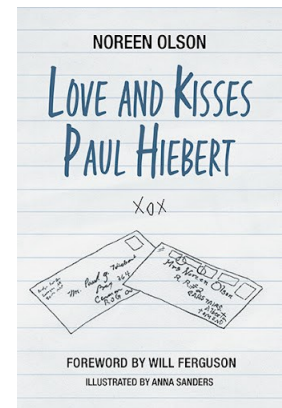

Author Talk

The library is pleased to welcome local author Noreen Olson as she shares from her new book *Love & Kisses Paul Hiebert*.

Wednesday, June 15th @ 6:30 PM.

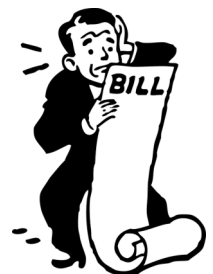

This book talks about the fascinating correspondence shared between Noreen Olson and Canadian writer and humourist Paul Hiebert. Noreen contacted Paul believing that "literary icons don't answer letters from ordinary people". To her surprise, Hiebert wrote back. Thus began a rich correspondence between two kindred spirits that ended only with Hiebert's death in 1987. *Love and Kisses* charts this correspondence.

Learn more about Noreen Olson and her publications at www.noreenolson.com.

Where Have All The Fines Gone?

During the pandemic, Parkland Regional Library System moved to waive all fines accumulated on patron accounts. As of June 1st fines on late items have been reinstated HOWEVER Sundre Library will be moving forward FINE FREE. This means that Sundre Library items will not accrue fines but items checked out from other libraries in the system may now begin to accrue fines when overdue. Avoid sticker shock on your account by renewing items or returning overdue items to the library.
