Giving to the Library

Although Sundre Library receives financial support from the Town of Sundre, Mountain View County, and the province of Alberta, we also rely on the generosity of our friends and patrons. Financial gifts have allowed us to add special interest books to our collection, to expand our magazine subscriptions, to hold special events like author visits and to keep memberships free. We also have an amazing group of volunteers who help with shelving books, locating requested items, shelf reading, and special programs.

You can support your local library by making a one time donation, giving toward the purchase of a book (we'll make sure you are the first person to read it when it arrives!), sponsoring a magazine subscription, or joining us as a volunteer. As a non-profit organization, Sundre Library is able to write tax receipts for charitable donations.

**Your giving helps us make a difference in our community.
Thank you for your support!**
